Homework Policy:

Teachers may assign homework assignments on Monday - Thursday designed as extra practice on skills taught during instruction time. Homework comes in many forms: reading, studying for exams, finishing assignments, and practicing skills. In doing an assignment at home, students’ exercise their skills and develop good work habits. The number, frequency and degree of difficulty of homework assignments are based on the ability of the students.

Homework carries no weight in the grade book.

- Homework expectations are in accordance with [Policy 6143](#) and [Regulation 6143](#).

Reporting Behaviors:

Student behaviors are not reflected in students' academic grades. Student behaviors are reported under Success Indicators on the report card. Student behaviors are also communicated to parents during conferences, phone calls, and progress reports.
