Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest-performing schools are provided the appropriate supports for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school and to detail the protocol for measuring the academic performance of public schools in Nevada. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach. Due to the extraordinary circumstances created by the COVID-19 pandemic, school accountability designations from the 2019-20 school year will be maintained in the 2021-2022 school year.

## **School Specific Information**

Hoggard Elementary School has been classified as a four star school. In addition, your child's school has been identified as a high-performing school and received recognition as a Shining Star School.

## **School Specific Actions**

Hoggard Elementary School is using allocated Title I funding to hire a certified tutor, provide teacher collaboration time, and purchase instructional software.

For more information about the resources, specific strategies, and tailored school goals, please review the School Performance Plan on your school's website. Additionally, your school's rating report is available at [www.nevadareportcard.com](http://www.nevadareportcard.com).
