In the event of an extended crisis situation, water & food must be provided for each student. We ask that parents provide a nutrition packet; such packet should include the following:

- 1 bottle of water (16 ounces)
- 1 non-perishable healthy snack for each of your children (examples include individual cracker packets, trail mix, granola bars, or breakfast bars)

Send these items to your child's teacher in a Ziploc bag labeled with their name. They will be stored in an "emergency kit" located in each classroom.
